

Title:

d to file a first appeal with the designated First Appellate

Authority. The First Appellate Authority is obligated to dispose of such an appeal

within maximum period of 45 days.

The reading of Sections 7 and 19 of the RTI Act makes it clear that the RTI Act is a time-bound legislation for effectively exercising the fundamental right to information guaranteed in Article 19 of the Constitution of India. However, the CIC and SICs which are the final appellate authorities under the RTI Act, and are the guardians of the Act are taking many months, and in some cases even years,

to decide appeals and complaints due to accumulation of pending appeals
